

GREAT SOUTHERN  
KILLARNEY

# Wine List

The famous German poet once was asked which three things he would take to an island. He stated:

*"Poetry, a beautiful woman and enough bottles of the world's finest wines to survive this dry period!"*

Then he was asked what he would leave back first, if it was allowed to take only two things to the island. And he briefly replied:

*"The poetry!"*

Slightly surprised, the man asked the next question:

"And Sir, what would you leave back if only one was allowed?" And Goethe thought for a couple of minutes and answered:

*"It depends on the vintage!"*
