

GREAT SOUTHERN
KILLARNEY

Wine List

The famous German poet once was asked which three things he would take to an island. He stated:

"Poetry, a beautiful woman and enough bottles of the world's finest wines to survive this dry period!"

Then he was asked what he would leave back first, if it was allowed to take only two things to the island. And he briefly replied:

"The poetry!"

Slightly surprised, the man asked the next question:

"And Sir, what would you leave back if only one was allowed?" And Goethe thought for a couple of minutes and answered:

"It depends on the vintage!"
